The committee will review and revise this policy as necessary at regular intervals

Day to day responsibility for ensuring this policy is put into practice is delegated to the Club Secretary.

All club members are expected to co-operate with the Management Committee on health & safety matters, take reasonable care of their own health and safety & report all health and safety concerns to the Club Secretary. It is the duty of all coaches, members, participants, spectators and all others involved in cricket to act responsibly, and to do everything they can to prevent injury to themselves and colleagues

## Health & Safety Policy

### **Child Welfare:**

Penkridge CC is committed to making cricket a safe, positive and enjoyable experience for all players. This includes all participants and spectators but particularly for young people and vulnerable adults. Penkridge CC endorses and implements the recommendations of the ECB Safe Hands (Welfare of Young People in Cricket) Policy.

### **Coaches:**

All volunteer coaches must have appropriate ECB coaching qualifications and a current CRB check. Coaches have responsibility for the supervision and conduct of the young people in their care throughout each session of activities they are delivering. Coaches must do their best to ensure the health and safety of everyone taking part in cricket activities.

### **Net Coaching:**

The coach should check and ensure that the area and equipment is safe for the type of activity which is to take place and that no damage or danger to property or persons is reasonably likely to occur. The coach should ensure good net discipline and monitor participants continually during the session. The deliberate and frequent bowling of fast short-pitched deliveries should be discouraged.

### **Outfield Practice:**

When players practice on the outfield they should do so in positions which minimise the risk of injury to fellow cricketers and spectators and damage to property.

### **Outdoor Play:**

Umpires are the sole judges of whether pitches are playable and conditions are fit for play. If no certificated or appointed umpires are present, the captains will make this decision. Law 42.8 concerning fast intimidating bowling should be strictly enforced.
